Experience

Senior Packaging Design Manager, *Jay Franco and Sons*, New York, NY, April 2019 – Present

- Manage multiple, high-volume, 150,000+ unit projects with overseas partners and factories to maintain accuracy and rapid turnaround, averaging 60 days from concept to store arrival
- Supervise the technical development of the packaging and product assembly processes for 18 retail accounts
- Lead management of all international accounts
- Advise and mentor junior team members
- Oversee the packaging team when Director is absent

Packaging Design Manager, *Jay Franco and Sons*, New York, NY, October 2017 – April 2019

- Responsible for 10+ retail accounts, all of which require knowledge of the retailer's design, display and safety guidelines (examples include: domestic and international warehouse clubs, national pharmacies, clothing, and grocery stores)
- Design packaging for 50+ household products, including bedding, bath, storage, and small housewares
- Assemble and review all packaging copy and sewn-in labels to ensure compliance with international and domestic testing and safety regulations
- Design packaging with multiple entertainment licenses and adhere to their strict branding style guides

Product and Packaging Designer and Illustrator, *Amscan*, Elmsford, NY, 2016 – 2017

- Was responsible for all phases of product and packaging design for Disney, Universal, Nickelodeon, Marvel, and Warner Bros. branded products
- Communicated daily with international partners to ensure all products were produced accurately and consistently met the highest standards
- Created original illustrations
- Designed 3D games and puzzles
- Designed dielines and press sheets

Graphic Designer, *David Viers & Associates, The Ranch Brokers,* Livingston, MT, 2012 – 2015

- Designed real estate print and digital advertisements, brochures, and promotional materials
- Rebranded and developed style guide for merging company
- Created digital content for websites and email marketing
- Served as web master, editing and uploading photos, copy, and other necessary content
